Dear Mr. Amadasu:

Thank you for inviting Montgomery County Public Schools (MCPS) to participate in the next Lincoln Park Civic Association meeting at the Lincoln Park Community Center on May 11, 2024. However, due to a schedule conflict, we are not able to attend in person. This letter serves as a response to agenda items for MCPS as outlined below:

1. MCPS: Trailers
 - All trailers east of North Stonestreet Avenue will be removed by July 1, 2024.
2. Lincoln Park High School
 - Originally, the Board of Education owned six parcels along the North Stonestreet Avenue area. Of the six, one parcel, known as the former Lincoln Junior High School, was conveyed to Montgomery County Government in 1992.
3. MCPS Properties West of North Stonestreet
 - There are multiple operations that currently occupy the properties west of North Stonestreet Avenue including our *Editorial, Graphics & Publishing Services, Chromebook Repairs Center*, as well as our Department of Materials Management. These operations will vacate the property in several phases, as permanent locations are determined.
4. Lincoln Avenue Communities and the North Stonestreet Development Plan
 - Once all operations are relocated, the Board of Education will convey the properties to the Montgomery County Government for disposition.
 - The Board of Education understands that the City of Rockville has an interest in redeveloping the properties along North Stonestreet Avenue. MCPS is not involved with those redevelopment plans and, therefore, any questions should be directed to the City of Rockville.

I am hopeful that this information was helpful. Should you or your community have any further questions or concerns, please don't hesitate to reach out to me via email at Carina_J_Gonzalez@mcpsmd.org.

Sincerely,

Carina Gonzalez
