Open Forum:

- Update on MCPS trailers via email:
 - I have received an update in response to your questions. The limousine was towed in October 2025. The seven trailers currently on the property are the same units that have been there since July 2025. Additional trailers will be placed on the site beginning in March or April to store furniture and supplies for two schools scheduled to open in August 2026. Once those schools open in late August 2026, all trailers will be sold, and we anticipate vacating the property shortly thereafter.

Thank you.
